Meath Heritage Cycle tour – a massive thank you!

9 years on and the Meath Heritage Cycle tour is going from strength to strength. With over 3000 cyclists participating between 4 distances, the popularity of recreational cycling is continuing to grow in Co. Meath. However none of this would be possible without the support of the 300 volunteers who once again turned out in force to take registrations, man junctions, serve tea, provide directions, collect cyclists out along the routes, provide medical and mechanical support and most importantly extend a welcome and a word of encouragement to all those cycling over the weekend. The committee of the Meath Heritage Cycle tour extends a massive thank you all those volunteers who gave of their time freely on Sat 29th & Sun 30th July.

In addition to the voluntary support, a number of community and sporting facilities opened up their doors to provide refreshment stops and comfort breaks to all the participating cyclists. From Mary & Jack Quinn in Jack Quinn’s public house (11k food stop), to Senchalstown GAA club, Cormeen community centre, Wilkinstown community centre, Ballinlough GAA centre, Enda Maleady in Ryans of Gormanlough, Kiltale GAA club to Michael Maguire and staff on the Hill of Tara – all played their part in extending the unique Meath welcome to the cyclists. In lieu of their efforts, a small donation is made either to the participating centre or a charity of their choice by Meath Heritage Cycle tour.

As with all large events, success would not be possible without the continued support of the Gardai, in particular Sgt Tom Mahon of Trim Garda Station and Sgt Pat Dowd of the Road Traffic Division and their respective teams. Medical support is provided by Meath Civil Defence with a number of ambulances, stationary medical stations, emergency medical technicians, paramedics and first responders all located out along the routes with the Control Centre based at the event HQ in Trim.

Meath Heritage Cycle Tour 2017 - A Massive Thanks!

Special thanks to the 4 mechanics who delivered much needed repair to bikes - Gary Sheehan, John Grace, Declan Byrne & Thomas McElroy – thankfully cyclists seemed to be better prepared this year with most bikes in good roadworthy condition.

The motor bike marshals, support crew (lead, broom and pick-up), members of Trim Cycling Club and Moynalty Cycling Club (cycle marshals), Physios (Mark Elmes, Frank Foley & Fiachra Ward), Trim Tidy towns, Aura Leisure centre, Meath County Council, Trim Municipal District, Trim Castle Hotel and the OPW all played a part in ensuring that the Meath Heritage Cycle tour ran smoothly.

The Meath Heritage Cycle tour is an established and well regarded, recognised event in the national cycling calendar. Mary Murphy (Event Coordinator) attributed the popularity of the tour to the countless hours of preparatory work undertaken by a dedicated team of people all intent on providing professional and expert service to all who participate in the Meath Heritage Cycle Tour. Further thanks were paid to sponsors Sport Ireland and Dunnes Stores; and to LMFM, Meath Chronicle, Trim Tourism Network and Meath Daily for their extensive promotion and coverage of the cycle tour.

Special mention to ambassadors Chris McElligott (hand cyclist 11k), PJ Nolan and Thomas Murphy (par cyclist) for their support and the number of cycling clubs both local and further afield who came out in huge numbers to show their support for the event.

The nominated charity for the event was Enable Ireland (Meath branch) who provides early services for children with disability in Meath. Sophie Deegan (fundraising officer with Enable Ireland), expressed her delight with the amount of funds raised over the weekend. With donations still coming, she was looking forward to seeing the full total of all monies collected in due course and ensured that all monies would be put towards enhancing programmes for children with disability in Meath.

Finally, particular thanks to the remarkable and entertaining MC – the legend that is Eamonn Duffy. To the sounds of U2’s “Where the streets have no name” this is the memorable voice that counts down the start, welcomes the different cycling clubs and cyclists and sends all off on their journeys and is the voice that sets the scene for epic encounters at the finish line.

Date for 2018 diary – Meath Heritage Cycle tour, July 28th & 29th... be part of it!!!

**Safeguarding 1 Basic Awareness Workshop**

4th October | Trim | 6.30pm to 9.30pm

The workshop will highlight the main principles of the Code and look at measures that clubs can take to create and maintain the safest possible environment for sport for young people.

Club Children’s Officers and Designated Liaison Persons must complete the 3 hour Safeguarding 1 Child Welfare & Protection Basic Awareness Course. This course educates participants on the implementation of best practice in protecting the welfare of children involved in sport.

As many club members as wish can attend the Code of Ethics Awareness Workshop. Participants attending Code of Ethics Awareness workshop must be over 18 years of age. Participants can follow on the code of ethics workshop with Children’s Officer Training, for information on same please contact Meath LSP office.

#### Safeguarding 3: Designated Liaison Person (DLP) Workshop

21st November 2017 | 6.30pm to 9.30pm | Windtown Unity Centre, Navan

The third part of the ISC Child Welfare & Protection Training Programme is the Designated Liaison Person workshop. Every club / organisation should designate a person to be responsible for dealing with any concerns about the protection of children.

The *Designated Liaison Person* is responsible for reporting allegations or suspicions of child abuse to TUSLA Child and Family Agency or Social Services (NI) and/or An Garda Siochána / PSNI. It is recommended that this person is a senior club person.

A person appointed to the *Designated Liaison Person* position in a club must have completed the Basic Awareness Workshop in Child Welfare & Protection and should complete the NEW Designated Liaison Person 3 hour workshop. A club may appoint the same person to both the CCO and DLP positions however best practice advises that they are kept as separate roles.

The cost is €20pp for clubs in Meath and €30pp for clubs outside of Meath. For more information please see [http://www.meathsports.ie/event/11718/](http://www.meathsports.ie/event/11718/). Please call 046-9067337 to check availability of spaces.

Play Rugby Programme

Meath LSP continues its partnership with the IRFU and Leinster Rugby in rolling out the Play Rugby initiative to Primary Schools in Meath. The goal of Play Rugby is to introduce rugby to as many children as possible. The initiative is aimed at 3rd, 4th, 5th & 6th classes and consists of training sessions with a local Community Rugby Officer (CRO) working on behalf of Leinster Rugby.

These sessions are designed to have full participation by pupils in a fun, safe environment. They are suitable for both boys & girls and are non-contact. As part of the initiative schools will also receive a Play Rugby pack. The Play Rugby pack contains Rugby balls, cones, bibs, game cards & certificates.

The Community Rugby Officer (CRO) will deliver one session per week for a minimum of 4 weeks in the school. Currently there is no cost to the school for the Play Rugby initiative.

Schools already trained and have received a pack can take part in the ‘Give it a Try’ programme. ‘Give it a try’ is a participation based tag rugby programme aimed at getting more kids active in rugby in their school. Over the course of a 4-6 week block of coaching, participants learn a range of generic sports skills along with the rules of tag rugby. At a point during the block of coaching, the young players will get a chance to play in a tag rugby participation blitz in their local club.

Schools interested in Play Rugby or Give it a Try programme can contact Billy Phelan, Leinster Rugby at 01 2693224.
The Daily Mile Challenge

Meath LSP launched a new physical activity initiative The Daily Mile for primary schools in Meath in April.

The Daily Mile is a free and simple programme which aims to improve the physical, social, and emotional wellbeing of the children. It is not PE, sport or cross-country, but a physical activity programme completed outside each day for 15 minutes.

22 Schools registered for the programme with a further 14 more schools expressing an interest in starting this September. St Mary’s Primary School Enfield commenced the programme in May and Principal Enda Flynn said “We are delighted that there are over 100 children from our senior classes taking part in this initiative. We had a running group in the school last autumn; the Daily Mile initiative has reinvigorated the group”.

The Daily Mile is successful because it is simple and free:

- It takes place over just 15 minutes, with children averaging a mile each day
- Children run outside in the fresh air – and the weather is a benefit, not a barrier.
- There’s no set up, tidy up, or equipment required.
- Children run in their uniforms so no kit or changing time is needed.
- It’s social, non-competitive and fun.
- It’s fully inclusive; every child succeeds, whatever their circumstances, age or ability.

If you are interested in starting the Daily Mile in your school or one of the classes in your school this initially this school year please contact Meath LSP for an expression of interest form or email dmccaffrey@meathcoco.ie

‘RUN Around Europe’ Challenge

Sport Ireland and Active School Flag encourage ALL schools to #BeActive and take the ‘RUN Around Europe’ Challenge. It’s a great way to RUN, have FUN and LEARN along the way.

Plot YOUR Progress

The A1 noticeboard sized poster is a great way for your school to track your progress around the capital cities of Europe.

The Challenge Chart will show you how far you have to run to reach each of the capital cities. Great for display on classroom doors and an excellent resource for use throughout the school year.

1 LAP = 1 KM

The lap size can be decided by your school – shorter distances for younger classes and longer distances for older students.

#BeActive and learn how to say HELLO in every country that you visit.

Inclusive Summer Camps

This summer was action-packed with summer camps for children of all abilities. In total Meath Local Sports Partnership was involved in the delivery of 4 Summer Camps for children with disabilities, ranging from Autism and Intellectual Disabilities to Physical Disabilities.

With a sibling and/or friend being invited along to take part for free the camp provided a perfect platform to showcase inclusion through sport and physical activities.

In total 96 children took part in our camps and as the photos show there were some fantastic memories made for all participants.

We kickstarted the summer of camps in Ashbourne with Karate Ash hosting us for the 4 day camp. Activities ranged from Karate to Yoga and Art and a great time was had on our day trip to Wolly Wards Farm.

(Continued on next page)
Inclusive Summer Camps (Cont’d)

The next camp was held in Claremont Stadium Navan and involved a great variety of activities including Lego, Athletics, Football, Zumba dancing, Volleyball, Tag Rugby and much more.

Thanks to the determination of Valerie Donovan, a parent of 2 children with Autism, we were also involved in running the camp in Julianstown Community Centre. This camp showcased what a group of parents can do when they pull together with local sports and community groups. The media attention it received highlights the never say ‘die’ attitude of parents. This determination is typical of what parents of children with disabilities show everyday in their quest for appropriate activities.

Sports Ability Programmes

Inclusive Summer Camps (Cont’d)

Our final camp was in partnership with the HSE Children’s Disability team and was specifically for children who are wheelchair users and their families.

It was held in Claremont Stadium and with the variety of activities the kids got to try out over the 3 days it was clear to see that disability is not a barrier to participation. We had some great activities - Wheelchair Badminton, Rugby, Basketball, Boccia, Athletics and Powerchair Football to mention but a few.

Following on from the success of this camp, we hope to run a monthly Wheelchair Multi Sports activity group in Navan starting in September so watch this space!

For more information on these programmes, please contact Kate on 046-9067337.
Sports Ability Programmes

Pitch and Putt Programme

Our pitch and putt programme took us to Stackallen Pitch and Putt Club this summer where 8 children with special needs and 7 Transition Year Students from Loreto Secondary School took part in a 6 week programme to learn the skills of pitch and putt.

With the help of Mary Farrell, Fergal Barry and Paul Hayes from the Pitch and Putt Union of Ireland this programme was a great success with the kids thoroughly enjoying the experience and gaining an interest in continuing to play the sport in their local communities.

We plan to run this programme in Navan in September and hope to hold a tournament for all participants of the programme to date also, if your interested make sure to get in touch.

For more information, please call Kate on 046-9067337.

Cycling

To mark Bike Week in June we held a fun Inclusive Cycling Festival in Fairyhouse Racecourse. As with previous years this event was mainly attended by participants who had previously taken part in our Learn2Cycle Programme and have now mastered the skills of independent cycling. It was a great occasion for these kids to take to the racecourse and complete the 3km cycle.

We also had some fun with a cycling treasure hunt, obstacle course and an Ice Cream Party. Thanks to Chris McElligott who came along with his hand-cycle and Declan Shevlin, Irish Paralympic Cyclist, who also came along to show his support.

We will be continuing to run our Learn 2 Cycle courses throughout the coming months, with the first 6 week course starting on the 21st September in Navan from 5-6pm.

If you would like your child to take part or want further information contact Kate on 046-9067337.
Sports Ability Programmes

Special Athletics and Yoga

Following on from the success of our Special Athletics and Yoga Programme before the summer holidays we are planning to run another 4 week block of this programme in Dunboyne in September.

This programme has allowed children with Autism, Dyspraxia and Intellectual Disabilities to make amazing progress in the development of their fundamental movement skills along with the added benefits of reduced anxiety and challenging behaviour and of course...having fun with their peers.

The start date for the next block is to be confirmed. Contact Kate on 046-9067337 if you would like more information about this programme or to express an interest in taking part.

Visual Impairment Tennis: seeking players!

In partnership with Tennis Ireland and Vision Sports Ireland we are currently running a Visual Impairment Tennis Programme in Claremont Stadium Navan on Sunday mornings, 10.30am-1pm and we would love to see some new players come along to try out this new and exciting sport.

The game is played indoors with a large foam ball which has a rattle inside to allow players to hear where it bounces and some rule changes apply such as allowing two bounces rather than one. The sport is growing in popularity around Ireland and we would love to have a team set up and playing regularly in Navan. We have an experienced coach Richard Turner from Kells Tennis Club running the sessions each Sunday so this is really a great opportunity for children and adults with a visual impairment to come along and get expert coaching in the game.

If you are interested in finding out more, please call Kate on 046 9067337.
